All the President's Men

Bob Woodward, Carl Bernstein

All the President's Men Bob Woodward, Carl Bernstein

The most devastating political detective story of the century: the inside account of the two Washington Post reporters who broke the Watergate scandal, now with a 40th anniversary Afterword on the legacies of Watergate and Richard Nixon.

This is the book that changed America. Published just months before President Nixon's resignation, *All the President's Men* revealed the full scope of the scandal and introduced for the first time the mysterious "Deep Throat." Beginning with the story of a simple burglary at Democratic headquarters and then continuing through headline after headline, Bernstein and Woodward deliver a riveting firsthand account of their reporting. Their explosive reports won a Pulitzer Prize for *The Washington Post*, toppled the president, and have since inspired generations of reporters.

All the President's Men is a riveting detective story, capturing the exhilarating rush of the biggest presidential scandal in US history as it unfolded in real time. It is, as *Time* magazine wrote in their All-Time 100 Best Nonfiction Books list, "the work that brought down a presidency...perhaps the most influential piece of journalism in history."

From reader reviews:

Rita Hackett:

Book will be written, printed, or created for everything. You can learn everything you want by a book. Book has a different type. As you may know that book is important factor to bring us around the world. Next to that you can your reading skill was fluently. A guide All the President's Men will make you to become smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think that open or reading some sort of book make you bored. It is not make you fun. Why they are often thought like that? Have you seeking best book or appropriate book with you?

Linda Banks:

Do you one among people who can't read pleasurable if the sentence chained within the straightway, hold on guys this particular aren't like that. This All the President's Men book is readable by means of you who hate the perfect word style. You will find the info here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to deliver to you. The writer associated with All the President's Men content conveys thinking easily to understand by most people. The printed and e-book are not different in the information but it just different in the form of it. So , do you continue to thinking All the President's Men is not loveable to be your top list reading book?

Mildred Olsen:

Nowadays reading books are more than want or need but also turn into a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The information you get based on what kind of e-book you read, if you want get more knowledge just go with education and learning books but if you want feel happy read one with theme for entertaining for example comic or novel. Often the All the President's Men is kind of e-book which is giving the reader unpredictable experience.

Katie Mueller:

Reading a book tends to be new life style within this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write to their book. One of them is this All the President's Men.
