A Murder is Arranged: An Inspector Richardson Mystery Basil Thomson

None of the other guests could explain what she was doing in Crooked Lane during the night...

Beautiful Margaret Gask, guest at Scudamore Hall, was shot to death on the driveway of the estate. The mink coat that she *should* have been wearing turned out to be the first clue Scotland Yard had to work on. Then a man she knew, a receiver of stolen goods, turns up dead. Soon more shady characters are drawn into the story: receivers, jewel thieves, confidence men and convicted felons on both sides of the Channel.

Richardson, now Chief Constable, orchestrates the clues concerning a murdered French senator, the theft of a famous emerald, a fake Italian prince and a mysterious priest who sought sanctuary after perpetrating thefts and felonies all over France. The case ends back in Scudamore Hall, where an ecclesiastical robe replaces a mink coat as Exhibit A.

The last and arguably most entertaining of all the Richardson novels, *A Murder is Arranged* (1937) has action, humour and a brilliant cast of major and minor characters. This new edition, the first in many decades, includes a new introduction by crime novelist Martin Edwards, author of acclaimed genre history *The Golden Age of Murder*.

“Few authors can claim such an intimate knowledge of Scotland Yard and criminals as Sir Basil Thomson, one-time Assistant Commissioner at the Yard. He provides subtle intrigue, clever deduction, and bright dialogue.” *Referee*
