Cecil Rhodes: Flawed Colossus Brian Roberts

Cecil Rhodes 'lived only for his schemes and enjoyed life only as a cannon ball enjoys space, travelling to its aim blindly and spreading ruin on its way. He was a great man, no doubt — a man who rendered immense service to his country, but humanity is not much indebted to him.'

The time is ripe for a new biography of Cecil Rhodes: the hero of imperialism needs to be seen with the perspective to examine the tremendous changes which have taken place since the British Empire was at its height.

This major re-assessment deals with the man, rather than the politics — and shows Rhodes to be ruthless, energetic, idealistic, and very much a product of his time.

We see him first as a far from amiable child, the son of a country vicar. As a youth he went to South Africa, where he made a fortune diamond mining. This fortune provided the means to pursue his political ambitions - a crazy dream to put as much red on the map as possible. In fact he only achieved what was to become Northern and Southern Rhodesia. His brutality to the native peoples of Africa, his financial chicanery, his involvement in the farcical Jameson Raid, his suppressed homosexuality, his ideas about racial superiority, and his exaggerated respect for an Oxford education which led to his most lasting memorial — the Rhodes Scholarships — are all covered in this frank biography.

The fitness of the world makes the information easier to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The book that recommended for your requirements is Cecil Rhodes: Flawed Colossus this publication consist a lot of the information in the condition of this world now. This specific book was represented so why is the world has grown up. The words styles that writer use for explain it is easy to understand. The particular writer made some study when he makes this book. That's why this book suited all of you.

Anthony Carter:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Cecil Rhodes: Flawed Colossus can make

you experience more interested to read.
