Have you ever struggled to read the titles of your favorite K-dramas because of the fancy font? Do you sometimes wonder what Korean handwriting says because you can't entirely make out all the letters? Do you just want to learn to read and write Hangeul better? After studying with this book, you too will be a Hangeul master. We cover all the Hangeul letters in detail and give you tips on how to easily read Korean handwriting or fonts. This book has all the essentials to help you learn Hangeul, including a history of Hangeul, pronunciation and the stroke order of the 40 Hangeul letters, how letters are combined into syllables, and how to link sound together when speaking Korean. Free downloadable audio files are provided to help develop better pronunciation. Throughout the book, there are "time-out" sections that serve as a short study break. These sections contain cultural tidbits and facts related to Korean, including abbreviations in Korean slang, Chinese characters in the Korean language, and more.
