## **Haircyclopedia Vol. 1 - The Legends Second Edition (Volume 1)** Taylor T. Carlson

Haircyclopedia Vol. 1 - The Legends is the first book from Taylor T. Carlson, the Las Vegas Valley's biggest fan of hard rock and heavy metal. The book features profiles for 60 of the hottest bands of the 80s and beyond, from popular bands like Motley Crue, Poison, and Guns N Roses, right down to more obscure ones like Bang Tango, Tora Tora, and Honeymoon Suite. Each band has a band member list, discography, recommendations, and a band biography. Information has been pulled from the author's extensive personal notes, and interviews with band members and fellow fans and experts. The book is printed in black and white and the emphasis is more on information - this is an encyclopedia, not a coffee table book. However, the book features extensive photographs from David Plastik, a legendary photographer of the era, as well as other contributors. The second edition of the book features some minor revisions and some photos have been added/changed.
