POW!

Mo Yan

POW! Mo Yan

In this novel by the 2012 Nobel Laureate in Literature, Mo Yan, a benign old monk listens to a prospective novice's tale of depravity, violence, and carnivorous excess while a nice little family drama—in which nearly everyone dies—unfurls. But in this tale of sharp hatchets, bad water, and a rusty WWII mortar, we can't help but laugh. Reminiscent of the novels of dark masters of European absurdism like Günter Grass, Witold Gombrowicz, or Jakov Lind, Mo Yan's *POW!* is a comic masterpiece.

In this bizarre romp through the Chinese countryside, the author treats us to a cornucopia of cooked animal flesh—ostrich, camel, donkey, dog, as well as the more common varieties. As his dual narratives merge and feather into one another, each informing and illuminating the other, Mo Yan probes the character and lifestyle of modern China. Displaying his many talents, as fabulist, storyteller, scatologist, master of allusion and cliché, and more, *POW!* carries the reader along quickly, hungrily, and giddily, up until its surprising dénouement.

Mo Yan has been called one of the great novelists of modern Chinese literature and *the New York Times Book Review* has hailed his work as harsh and gritty, raunchy and funny. He writes big, sometimes mystifying, sometimes infuriating, but always entertaining novels—and *POW!* is no exception.

From reader reviews:

Stephanie Cromwell:

In other case, little people like to read book POW!. You can choose the best book if you love reading a book. So long as we know about how is important a book POW!. You can add information and of course you can around the world by a book. Absolutely right, mainly because from book you can realize everything! From your country right up until foreign or abroad you will be known. About simple thing until wonderful thing you are able to know that. In this era, you can open a book or maybe searching by internet system. It is called e-book. You may use it when you feel fed up to go to the library. Let's go through.

Jerry Goble:

Book is to be different for each grade. Book for children until eventually adult are different content. To be sure that book is very important normally. The book POW! seemed to be making you to know about other knowledge and of course you can take more information. It is very advantages for you. The guide POW! is not only giving you a lot more new information but also to become your friend when you experience bored. You can spend your own personal spend time to read your guide. Try to make relationship with all the book POW!. You never experience lose out for everything in case you read some books.

Patricia Coburn:

This POW! book is not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get info which is getting deeper anyone read a lot of information you will get. That POW! without we realize teach the one who studying it become critical in considering and analyzing. Don't possibly be worry POW! can bring once you are and not make your handbag space or bookshelves' become full because you can have it inside your lovely laptop even phone. This POW! having great arrangement in word along with layout, so you will not truly feel uninterested in reading.

Thomas Burke:

That guide can make you to feel relax. This kind of book POW! was colourful and of course has pictures around. As we know that book POW! has many kinds or genre. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and believe that you are the character on there. Therefore not at all of book are make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading that will.
