Samguk Yusa: Legends and History of the Three Kingdoms of Ancient Korea Ilyon

A fascinating work, dating from the late 1200s. This book (Yusa), is not just a story but a collection of histories, anecdotes and memorabilia, covering the origins of Korea's three monarchies--Silla, Paekche and Koguryo, offering an account of the latter nation that differs quite a bit from what you'll read in Chinese history books. Translated by Professor Ha Tae-Hung of Yonsei University, with special help from Grafton Mintz.
