Excerpt from The Story of the Huguenots: As Contained in Two Addresses Made Before the Huguenot Societies of South Carolina and Pennsylvania

As the history of the French Huguenots from the Reformation to the Edict of Toleration in 1787 covers a period of some two centuries and a half, it is obvious that any detailed narrative of their vicissitudes and tribulations must of necessity be a long one. Although the literature of Huguenot history is quite extensive, much that has been written deals exclusively with special phases of the subject and it is not easy to find anywhere a concise epitome of the whole story.

I am republishing herein the address delivered before the South Carolina Huguenot Society in 1917, as well as that made before the Huguenot Society of Pennsylvania at Valley Forge on the 6th of May last, believing that the two addresses taken together, in spite of some unavoidable repetitions, will give in reasonably small compass a clear and definite résumé of the whole subject.
