On the road to greatness there is one unavoidable, yet necessary part of the journey. I'm speaking of transition. The transitions of life are scary, confusing, and often misunderstood. Those with the best of intentions often meet these transitions with resistance, and are robbed from accomplishing the very purpose they were created for. What if it didn't have to be like that? What if you could navigate the transitions of life with certainty? What if you could understand this difficult process and step into your God given destiny? This is "Buried". Using the backdrop of Christ's burial, this book will expose the season of transition from a biblical perspective you may have never seen. Buried: Navigating the Transitions of Life, will:

- Help you understand transition and what transition feels like
- Identify and allow you to gain insight into the steps of transition.
- Provide an understanding on how to navigate through each step of transition.
- Use scripture to explain the process of transition by taking you through Christ's burial

Buried: Navigating the Transitions of Life will empower you to take on every transition so to let you live the life God intended. A life of joy, purpose, and destiny
