The Ramblers Aidan Donnelley Rowley

For fans of J. Courtney Sullivan, Meg Wolitzer, Claire Messud, and Emma Straub, a gorgeous and absorbing novel of a trio of confused souls struggling to find themselves and the way forward in their lives, set against the spectacular backdrop of contemporary New York City.

Set in the most magical parts of Manhattan—the Upper West Side, Central Park, Greenwich Village—*The Ramblers* explores the lives of three lost souls, bound together by friendship and family. During the course of one fateful Thanksgiving week, a time when emotions run high and being with family can be a mixed blessing, Rowley's sharply defined characters explore the moments when decisions are deliberately made, choices accepted, and pasts reconciled.

Clio Marsh, whose bird-watching walks through Central Park are mentioned in *New York Magazine*, is taking her first tentative steps towards a relationship while also looking back to the secrets of her broken childhood. Her best friend, Smith Anderson, the seemingly-perfect daughter of one of New York's wealthiest families, organizes the lives of others as her own has fallen apart. And Tate Pennington has returned to the city, heartbroken but determined to move ahead with his artistic dreams.

Rambling through the emotional chaos of their lives, this trio learns to let go of the past, to make room for the future and the uncertainty and promise that it holds. *The Ramblers* is a love letter to New York City—an accomplished, sumptuous novel about fate, loss, hope, birds, friendship, love, the wonders of the natural world and the mysteries of the human spirit.

From reader reviews:

Joyce McDonald:

In this 21st century, people become competitive in each and every way. By being competitive right now, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Sure, by reading an e-book your ability to survive increases then having a chance to endure than others is high. For you personally who want to start reading any book, we give you this kind of The Ramblers book as a basic and daily reading reserve. Why, because this book is greater than just a book.

Patricia Steele:

Nowadays reading books is more than a want or need but also becomes a life style. This reading addiction gives you a lot of advantages. Advantages you get of course the knowledge and the particular information inside the book that improve your knowledge and information. The data you get based on what kind of publication you read, if you want to get more knowledge just go with knowledge books but if you want to really feel happy read one with a theme for entertaining for example comic or novel. Often the The Ramblers is a kind of book which is giving the reader an erratic experience.

Vicki Escalante:

Hey guys, do you want to find a new book you just read? Maybe the book with the headline The Ramblers suitable to you? Typically the book was written by a well-known writer in this era. The actual book is titled The Ramblers and is one of several books that everyone reads now. That book was inspired by many men and women in the world. When you read this e-book you will enter the new dimensions that you never knew before. The author explained their thoughts in a simple way, and so all of us can easily be aware of the core of this reserve. This book will give you a lot of information about this world now. So you can see the representation of the world in this particular book.

Margaret Pace:

Some people said that they feel uninterested when they read an e-book. They directly felt this when they get a half of the book. You can choose the actual book The Ramblers to make your current reading interesting. Your personal skill of reading expertise is developing when you are similar to reading. Try to choose a basic book to make you enjoy to see it and mingle the feeling about the book and studying especially. It is the first opinion for you to like to start a book and study it. Besides that the book The Ramblers can be a newly purchased friend when you're experiencing alone and confused using what you must be doing of that time.
