An Undeclared War (Countdown to Armageddon Book 4) Darrell Maloney

The saga continues. Near Kerrville, the compound comes under a vicious attack by a band of outlaws. Scott and John lead a group of men coming to their aid. The cavalry is on its way.

But it's ninety miles away.

The group fights valiantly but loses one of its own. The loss tears at their very soul, and threatens to rip them apart.

It also changes them, as a group and as individuals. They are now more hardened. More cynical. More suspicious of strangers.

And perhaps a little more aware that life really is a fragile and precious thing, to be treasured.

Tom struggles with a monumental decision that could change the makeup of the group forever.

And new love blossoms.
