More Work for the Undertaker (Albert Campion Mysteries, 75-453)

More Work for the Undertaker (Albert Campion Mysteries, 75-453)

The Palinodes were dying to help out each other -- out of this world, that is. Two had already been disposed of when Campion arrived on the scene, but there were still three to confound him. Was the killer Evadne, who talked in classical allusions? Or Jessica, who did crossword puzzles in Latin? Or perhaps Lawrence, who had washed all the glasses right after his sister was poisoned?

Campion knew that any one of them was clever enough to get away with murder, but there were others on Apron Street who had reason to hate them. Was one a killer? Or were all of them potential victims?
