More in Common Than You Think: The Bridge Between Islam & Christianity William W. Baker

William W. Baker, a well-traveled Christian theologian and Biblical archeologist, has released an important work that is timely and pertinent to advancing human understanding and tolerance by shattering stereotypes and misconceptions that have often arisen between followers of the world's two largest monotheistic faiths, Christianity and Islam. In this clear and concise text, Baker introduces laypersons to the great religion of Islam, which now has some 1.2 billion adherents and is the fastest-growing religion in both the United States and the United Kingdom. Baker's central theme throughout "More in Common Than You Think" is mapping the common ground between Islam and Christianity.
