Only Time Will Tell (Clifton Chronicles Book 1) Jeffrey Archer

From the internationally bestselling author of *Kane and Abel* and *A Prisoner of Birth* comes *Only Time Will Tell*, the first in an ambitious new series that tells the story of one family across generations, across oceans, from heartbreak to triumph.

The epic tale of Harry Clifton's life begins in 1920, with the words "I was told that my father was killed in the war." A dock worker in Bristol, Harry never knew his father, but he learns about life on the docks from his uncle, who expects Harry to join him at the shipyard once he's left school. But then an unexpected gift wins him a scholarship to an exclusive boys' school, and his life will never be the same again.

As he enters into adulthood, Harry finally learns how his father really died, but the awful truth only leads him to question, was he even his father? Is he the son of Arthur Clifton, a stevedore who spent his whole life on the docks, or the firstborn son of a scion of West Country society, whose family owns a shipping line?

This introductory novel in Archer's ambitious series *The Clifton Chronicles* includes a cast of colorful characters and takes us from the ravages of the Great War to the outbreak of the Second World War, when Harry must decide whether to take up a place at Oxford or join the navy and go to war with Hitler's Germany. From the docks of working-class England to the bustling streets of 1940 New York City, *Only Time Will Tell* takes readers on a journey through to future volumes, which will bring to life one hundred years of recent history to reveal a family story that neither the reader nor Harry Clifton himself could ever have imagined.

Haley Thacker:

This Only Time Will Tell (Clifton Chronicles Book 1) is great e-book for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. That book reveal it facts accurately using great plan word or we can claim no rambling sentences inside it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but hard core information with attractive delivering sentences. Having Only Time Will Tell (Clifton Chronicles Book 1) in your hand like obtaining the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen tiny right but this guide already do that. So , this is certainly good reading book. Hi Mr. and Mrs. active do you still doubt that?

Richard Dike:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As

we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Only Time Will Tell (Clifton Chronicles Book 1) can make you experience more interested to read.
