Residential Construction Academy: Carpentry Floyd Vogt

Based on industry standards developed by the National Association of Home Builders and its Home Builders Institute, this comprehensive text covers the essentials of residential construction carpentry, including tools and materials, rough carpentry, and exterior and interior finish carpentry ensuring professional success on any jobsite. Extensively illustrated and succinctly written, RESIDENTIAL CONSTRUCTION ACADEMY: CARPENTRY 3e features "Procedure" sections in nearly every chapter that combine precise, step-by-step instructions with helpful drawings, making it easy to understand key concepts and master important techniques. The Third Edition includes much new and updated material, including special "green" features exploring environmentally friendly building practices, and exercises incorporating local building codes. As always, safety is strongly emphasized with specific tips and precautions in every chapter.
