The X-Files: I Want to Believe Max Allan Collins

In the bitter heart of a brutal winter, women are inexplicably vanishing in rural Virginia. The only clues to the bizarre disappearances are grotesque remains—*human* remains—that are turning up in snow banks along the highway. And a disgraced priest has begun to experience strange and disturbing visions possibly connected with a terrible secret. But are the images haunting a fallen man of God to be trusted . . . or are they the deadly lies of a twisted mind?

It is a case right out of the X-Files. But the FBI suspended its investigations into the paranormal years ago. Ex-agents Fox Mulder and Dr. Dana Scully are the best team for the job, but they have no desire to revisit the past. Still, the truth about these horrific crimes is out there . . . and only Mulder and Scully can uncover it.
