Distance and Time (Time After Time) (Volume 1) Mel Henry

Carlene Cooper was your average teenager. Average, that is, except for her relationship with Josh McCarthy, member of teen mega-group, South Station Boyz. Young love blossomed at a chance meeting when Carly was a senior in high school and Josh was just discovering what stardom really meant. Despite their chemistry, it was no surprise to anyone when their very different lives took very different paths a few months down the road. Years later, their paths cross again, and they must decide if the spark they felt back then is strong enough to rekindle. Josh has built a name for himself in show business, but Carly, too, has planted roots as a journalist in New York City. Will they be able to successfully merge their lives and overcome the obstacles that drove them apart a decade earlier? Just as she comes to the decision that will change their lives one way or the other, tragedy strikes and Detective Trey Foster enters her life unexpectedly. Now, Carly is faced with another choice. Will she choose the man she's spent her whole life loving, or will she push it aside for a chance at happiness out of the spotlight?
