W.R. Benton

**Red Runs the Plain (The Plains Series Book 1)** W.R. Benton

**From the Author of 'War Paint' & 'James McKay U.S. Army Scout'**

Escaping from the Oto Indians who brutally slaughtered his whole family, fifteen-year-old Jarel Wade runs aimlessly into a snowstorm. On the verge of death he's rescued by a pair of cantankerous old mountain men as rugged as the mountains off which they live. Taken under their wing, Jarel proves himself worthy of the trail, but something's coming; something far more sinister that will test every ounce of his newly earned skills and mettle. A rogue former British Army officer is systematically exterminating the free trappers. He wants to corner the fur trade for himself, and he commands a pack of thieves, murderers and outcasts who know the mountains as well as they know how to dig Jarel a grave.

"RED RUNS THE PLAIN is a crackerjack story written by a craftsman at the top of his form. A whirlwind of a tale that will keep you turning pages."

— Matt Braun
