## **The Story of My Tits** Jennifer Hayden

"Truly moving. Hayden has created a heartfelt and often hilarious tribute to her life-and to the resilience of women everywhere." - ***Publishers Weekly* (starred review)**

"Heartbreaking and riveting, **Jennifer Hayden's** caustic, sarcastic wit streams through her quirky drawings, unfolding a survivor's tale and so much more. *The Story of My Tits* takes us from her flat-chested adolescence to small-boobed acceptance, then loss - until the dramatic reconstruction of Jennifer herself." - **Marisa Acocella Marchetto, author of *Cancer Vixen* and *Ann Tenna***

"The pacing of her storytelling is seamless... Hayden's memoir will resonate with anyone who has suffered loss and gone on to tell the tale." -- *Booklist*

Named one of *Library Journal's* BEST BOOKS OF 2015! A landmark work of graphic memoir and a cancer narrative that Gabrielle Bell (*Lucky and Cecil & Jordan in New York*) calls, "comforting, straightforward and strongly connected to life." When Jennifer Hayden was diagnosed with breast cancer at the age of 43, she realized that her tits told a story. Across a lifetime, they'd held so many meanings: hope and fear, pride and embarrassment, life and death. And then they were gone. Now, their story has become a way of understanding her story.

For everyone who's faced cancer personally, or watched a loved one fight that battle, Hayden's story is a much-needed breath of fresh air, an irresistible blend of sweetness and skepticism. Rich with both symbolism and humor, *The Story of My Tits* will leave you laughing, weeping, and feeling grateful for every day.
