In Our Own Voices: Latino/a Renditions of Theology Benjamin Valentin

A fresh, ecumenical approach to systematic theology in a Latino/a voice.

U.S. Latino/a theology has emerged as one of the most dynamic and creative theological developments in the last thirty years. Reflecting the diversity as well as commonality among Latino/a theologians, this ecumenical team of men and women, both Catholic and Protestant, explore some of the core symbols and doctrines of Christianity from a distinctively Latino/a perspective. Beginning with the doctrine of God, Creation, and human being, the authors present diverse perspectives on Christology, the church, and the kingdom of God (la familia de Dios).

Contributors include: Luis N. Rivera-Pagán; Jeanette Rodríguez; Carmen Nanko-Fernández; Michelle A. González; Michael Lee; Roberto S. Goizueta; Harold J. Recinos; Ada María Isasi-Díaz.
