Have you ever felt something was not right when listening to certain genres of music, watching specific shows on television, movies, or even cartoons? Have you ever "thought you heard something" but no-one else seemed to notice? Evil is all around us. It lives and thrives in the lives of our children. And it's on a mission to kidnap and brainwash the minds of young people on a daily basis through subliminal messages and secret societies. Throughout this book you will become aware of the many different types of signs such as hand signs, symbols, and subliminal messages that are being used, to hinder the minds of our children and yes adults too, through music and television. It is very important to keep an open mind as things will be exposed to you throughout the chapters that may disturb you. Some of which may even sound fictitious.
