Sightings Mark Lukens

SIGHTINGS

Genre: sci-fi/horror

In development to be a feature film.

In 1988, Lydia Conner was taken from her cabin near Specter Lake, Minnesota while her husband lay in bed, temporarily paralyzed. She screamed at him for help as she floated up to the ceiling in a blinding flash of light ... and then she was gone.

In 2009, four film school students journeyed to the Specter Lake cabin where the abduction of Lydia Conner took place. They hoped to capture proof of an alien visitation on film; they hoped to re-create events from the abduction; they hoped to use themselves as bait ...

... but they encountered much more than they ever could've imagined.

Contains: strong language, some graphic violence
