The Rivers North of the Future: The Testament of Ivan Illich

David Cayley

The Rivers North of the Future: The Testament of Ivan Illich David Cayley

In this provocative new book, respected Canadian journalist David Cayley compiles and reflects upon the thoughts of Ivan Illich, one of the 20th century's most visionary cultural critics. Illich believed that the West could only be understood as a corruption of the Christian New Testament. Cayley presents Illich's exploration of this idea, illuminating Illich's thoughts on the criminalization of sin, on how the Church has become a template for the modern nation-state, and how contemporary society has become a congealed and corrupted Christianity. These critiques are as timely and valuable as Illich's prescription for fixing them.

Mary Sexton:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this *The Rivers North of the Future: The Testament of Ivan Illich* can make you feel more interested to read.

Carlton Little:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person similar to reading or as reading through become their hobby. You have to know that reading is very important as well as book as to be the factor. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You get good news or update in relation to something by book. Different categories of books that can you take to be your object. One of them is actually *The Rivers North of the Future: The Testament of Ivan Illich*.
