**Pressing Buttons / Presionando Botones**

“It won't matter if you do, son,” he told me casually. “All you will gain is a few hours at the most. And what good is that going to do? So you can float out there in the emptiness, just waiting for your air supply to run out? It's better to go fast, in a flash. Trust me.”

I stared at the button on the control console. It was red of course, big and red; but not so big it couldn't be pressed by a single finger. My palms were sweating as I struggled over the decision.

I had to make the decision soon. I only had a minute and half left. My right index finger hovered over it. Did I press it, or didn't I?...
