The Death of Woman Wang

Jonathan D. Spence

The Death of Woman Wang Jonathan D. Spence

“Spence shows himself at once historian, detective, and artist. . . . He makes history howl.” (*The New Republic*)

Award-winning author Jonathan D. Spence paints a vivid picture of an obscure place and time: provincial China in the seventeenth century. Life in the northeastern county of T’an-ch’eng emerges here as an endless cycle of floods, plagues, crop failures, banditry, and heavy taxation. Against this turbulent background a tenacious tax collector, an irascible farmer, and an unhappy wife act out a poignant drama at whose climax the wife, having run away from her husband, returns to him, only to die at his hands. Magnificently evoking the China of long ago, *The Death of Woman Wang* also deepens our understanding of the China we know today.
