I have been able to trace my Webb lineage through the Webb DNA Project from Thomas born 1730 and Jesse born 1766 to my g,g,g, grandfather, William Julius Webb Sr. The line ends with my father, Basil Tarzan Webb Sr. born 1916. Because a paper trail steered me wrong, there's also some chapters about the five Webb brothers who came over from England in 1699 who are related to Daniel Boone and Loretta Lynn. I left them in there for others who are looking for those ancestors. The brothers were Joseph, Benjamin, Samuel, James, and John Jr. My book is for my grandchildren to share with them our family's history and how life was lived in those days. I just finish the book about my g,g, grandmother, Arrena Hatfield and John Jones titled, Hatfield and Jones Family Story. I have two more to go to give them a complete set of ancestors.
