Dr. Katherine "Kat" Arnold left Oregon and never looked back at the town that failed her as a child. But when a new patient from Independence Falls joins her clinical trial, she returns determined to show everyone in her hometown how she has thrived—including her high school crush.

Brody Summers saves people. For years, he looked out for his younger siblings and ran the family business. Now he works search and rescue. After a failed mission, Brody plans to take an evening off. When a blonde city girl knocks him off his feet, he refuses to walk away from desire. But it doesn't take long for Brody to realize the past is returning to haunt him—and it goes back farther than one wild night.

The last thing Kat wants is a reason to extend her stay in Independence Falls. But she can't escape the memory of Brody's wicked touch. As their passion heats up, Brody wonders if he's falling for the one woman who doesn't need rescuing.
