## **Construction Contracts** Jimmie Hinze

*Construction Contracts 3e* was written to serve as a learning tool and reference guide. The fundamentals of contract law are presented, along with an in-depth treatment of the construction topics which most frequently result in litigation illustrated by example cases. In addition the author provides an overview of other important construction-related topics, including the procurement process for construction contracts, methods of dispute resolution, surety bonds, construction insurance, construction safety, and construction labor laws. The book is of a manageable size for a one-semester course and suitable for undergraduate or graduate construction or architecture students.

The 3rd edition incorporates many changes in construction law, regulation, and practice that have occurred during the past decade.
