## The Complete Book of Yiquan C S Tang

With detailed photographs and clear instruction for practice, this is the first book comprehensively to cover the history, development and training methods of this rarely taught esoteric internal martial art. The deceptively simple postures and movements of Yiquan are highly effective for achieving results for both health and combat, making it very appealing to martial artists, and Master Tang here reveals the secrets of a martial art still surrounded in mystery. He also provides a history of the origins and lineage of the Yiquan tradition, as well as detailed information on the stances and movements, weapons, and programs, grading and teaching.

This complete guide to Yiquan will be essential for anyone interested in Yiquan or oriental martial and internal arts more generally.
