Basic Science and Technology for Primary Schools 2

Basic Science and Technology for Primary Schools 2

The textbook, Basic Science and Technology for Primary Schools-2, is written strictly according to the new syllabus. This book aims at developing the pupils' cognitive skills to build a gradual mastery of scientific skills. It also helps pupils realise how science as a discipline relates to our experiences in our daily lives. It lays emphasis on activities which correlate school knowledge with the pupils' health and awareness about the surrounding world. This user-friendly book presents science and technology in such an interesting and comprehensive manner that even an average pupil will have no difficulty in grasping the fundamental concepts of science. This book intends to help pupils develop scientific attitude and interest in using the new technologies.
