Every fairy tale has a dark side...

Elodie Rose has a secret. Any day, she'll become a wolf and succumb to the violence that's cursed her family for centuries. For seventeen years she's hidden who and what she is. But now someone knows the truth and is determined to exterminate her family line. Living on borrowed time in the midst of this dangerous game of hide and seek, the last thing Elodie needs to do is fall in love. But Sawyer is determined to protect her, and the brooding, angry boy is more than what he seems. Can they outsmart a madman? And if they survive, will they find a way to beat the curse for good?

From the Critics:

Holy, holy crap, I really enjoyed this book...I was so absorbed in this book while reading it, I couldn't stay away and I wanted to check out of everything I was doing so I could go finish it. I think of this as "glue" and have referenced in other reviews when a book is "sticky." This book is quite sticky. Be ye warned...The storytelling and the layers of meaning and the multiple ways to view what was happening in the story made this incredibly fun to read, and I have recommended it several times to people already. I think that part of what draws readers to YA and YA romance is that emotions are overwhelming and scary, even if you're an adult, and that feeling of being overpowered by your emotions coupled with the secrecy of teenage life makes for some compelling reading. In this particular case, both of those elements are present and strong in the story, and when combined with allegory and a recasting of a well-known myth, it's delicious. –Sarah Wendell, Smart Bitches, Trashy Books

From reader reviews:

Robert Irizarry:

What do you in relation to book? It is not important to you? Or just adding material when you really need something to explain what the ones you have problem? How about your extra time? Or are you busy person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. The doctor has to answer that question simply because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this kind of Red to read.

Irma Hugues:

In this 21st centuries, people become competitive in every way. By being competitive now, people have do something to make all of them survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated this for a while is reading. Sure, by reading a publication your ability to survive enhance then having chance to endure than other is high. For yourself who want to start reading the book, we give you this particular Red book as starter and daily reading reserve. Why, because this book is usually more than just a book.

Elois Montgomery:

Spent a free the perfect time to be fun activity to accomplish! A lot of people spent their sparetime with their family, or all their friends. Usually they carrying out activity like watching television, gonna beach, or picnic from the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Might be reading a book may be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the e-book untitled Red can be great book to read. May be it could be best activity to you.

Tony Hogan:

E-book is one of source of information. We can add our knowledge from it. Not only for students but in addition native or citizen have to have book to know the revise information of year for you to year. As we know those publications have many advantages. Beside all of us add our knowledge, can also bring us to around the world. From the book Red we can take more advantage. Don't one to be creative people? Being creative person must like to read a book. Just simply choose the best book that acceptable with your aim. Don't be doubt to change your life by this book Red. You can more inviting than now.
