## **Two Graves** Allen Lawrence

After nearly three decades of civilian life, John Graves is again a hunter of men. Now he hunts Wahhabi jihadists who killed his wife and children during a Christmas season attack on a Houston, Texas mall.

John's private war proves a vastly different enterprise than fighting for flag and country. While essential for survival, his deceptive cover complicates friendships and romance. As the secrecy surrounding his mission erodes, his actions draw the attention of the Los Angeles Police Department, a Turkish-American shipping magnate, al-Qaeda, the CIA, and the United States military.

Set in the present-day United States, Middle East, Pakistan, and Afghanistan, Two Graves is the story of one man's relentless pursuit of revenge served cold.
