They've survived ever since by maintaining new identities as Power Girl and Huntress, all the while striving to return to Earth 2. Today, they've finally found their way home.

With the resources of Starr Enterprises, Power Girl is able to recreate the portal the Kaziens used to peer into the dimension of Earth 2. But when they try to turn the machine on, the city of Boston is inadvertently plunged into a blackout. It's up to Power Girl to try and reboot a nuclear power plant by herself while Huntress must stop a group of terrorists determined to use the cover of darkness to set off a dirty bomb.
