Intensive Care Medicine in 10 Years (Update in Intensive Care Medicine)

Intensive Care Medicine in 10 Years (Update in Intensive Care Medicine)

This book identifies trends in critical care medicine that will form the basis for practice over the next ten years. Predicting the future is always risky. Nevertheless, the ideas articulated in this book are likely to serve as a road map for intensivists, hospital administrators, and governmental leaders interested in healthcare as they seek to improve the quality and efficiency of hospital-based services.
