More Strange Highways Jerry D. Coleman

Take another trip into the darkest corners of the unknown with Jerry Coleman as he returns to the back roads of America in search of more of the strangest cases in paranormal and Cryptozoological history! Now with nearly four decades of research into the unknown, he goes in pursuit of even larger prey, delving again into current cases of Bigfoot encounters, ghosts, weird monster sightings, phantom creatures, unsolved mysteries and mysterious black panthers that should not exist --- but do! Once again, Coleman opens his case files to the public and reveals little known encounters of the unknown that have never appeared in print before. You will never look at those wooded roadways or quiet forests in the same way again! In this second eerie collection, the author presents a new collection of ghost encounters, Bigfoot and mysterious ape sightings, evidence of anomalous panthers, Thunderbirds, strange but real creatures, exposures of a few paranormal hoaxes and even a complete how-to guide on how to become a Cryptozoological investigator! Another amazing book of carefully investigated cases and first-person accounts of the unknown!
