Much To Do About Nothing! Bryn Lewis

Biggles and his sidekicks, Algy and Ginger, find themselves crash-landing on an island off the French coast which is being used by the Nasty Party to carry out secret experiments. The intrepid trio make their way to the local cafe run by Rene and Edith and then find themselves caught in the middle as Michelle receives orders to find out what the Germans are up to. A richly- comic array of characters such as Sergeant Von Derlust, a dominatrix-type, Frank N Stein and his brother, Frank N Sense along with a perpetually horizontal Yvette make this a pantomime to remember!

17 cast members and it should take about 90 minutes to perform. This includes a lot of great songs with re-written lyrics! Have fun with it!
