Sherlock Holmes and the Society of Seven John H Watson MD

Mysterious murders? Inexplicable larcenies? Sinister conspiracies? All in a day's work for Sherlock Holmes and his network of resourceful and influential friends and allies—but it was not always so...

In 1876, it was a younger and greener Sherlock Holmes who set out alone to become a consulting detective, his reputation based more on bravado and schoolyard antics than professionalism and hard experience—and when his first serious challenge ended in disaster, it was a sobering failure that would ever haunt him...

Now, fifteen years later, new evidence about an old crime has Holmes and Watson racing across England to catch the first man to have outwitted the world's greatest detective. Holmes will need all the help he can muster to redeem himself—but his faithful companion has worries of his own, and much nearer to home...

THE SOCIETY OF SEVEN is an all-new novella inspired by the classic mysteries of Sir Arthur Conan Doyle—available exclusively through Amazon!
