**The Hands-on Guide to Midwifery Placements (Hands-on Guides)** Luisa Cescutti-Butler, Margaret Fisher

The perfect companion for student midwives in clinical settings, packed full of useful and practical information to help guide and enable you to get the best out of your midwifery placements. This compact, portable text includes what to expect on each type of placement – whether it be working in a low or high risk environment – from how to prepare for practice, what you can anticipate whilst you're there, the key essential skills to acquire, what pitfalls and problems to be aware of, and how to deal with them if they do arise. Each chapter contains 'Top Tips' from current or recently qualified midwifery students, as well as real life student experiences and suggestions for further readings.

**From reader reviews:**

**Natasha Rich:**

In this 21st hundred years, people become competitive in each way. By being competitive right now, people have do something to make these people survives, being in the middle of often the crowded place and notice by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Yes, by reading a reserve your ability to survive raise then having chance to endure than other is high. In your case who want to start reading some sort of book, we give you this kind of The Hands-on Guide to Midwifery Placements (Hands-on Guides) book as starter and daily reading e-book. Why, because this book is more than just a book.

**Vicki Allen:**

Reading a publication tends to be new life style on this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Together with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or perhaps their experience. Not only the story that share in the books. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some research before they write on their book. One of them is this The Hands-on Guide to Midwifery Placements (Hands-on Guides).

**Avery Thomas:**

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your short period of time to read it because all of this time you only find reserve that need more time to be study. The Hands-on Guide to Midwifery Placements (Hands-on Guides) can be your answer given it can be read by a person who have those short spare time problems.

**Joan Freeman:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Hands-on Guide to Midwifery Placements (Hands-on Guides) can make you really feel more interested to read.
