The Great Sea War: The Story Of Naval Action In World War II

E. B. Potter

The Great Sea War: The Story Of Naval Action In World War II E. B. Potter

A brilliant, concise and, perhaps, best single volume history of the Second World War at Sea. Written by veteran historian E. B. Potter during his time as resident historian at the United States Naval Academy this history is filled with action and analysis. As the conflict raged from the Pacific to the North Sea the author takes the action in each theater for the purposes of clarity but masterfully links the actions and events together to preserve the historical integrity of the work.

A classic of Naval History.
