Kids everywhere dread the nightly call to go to bed. But not Livi! Her imagination takes her on a journey full of daring obstacles and exciting adventures on her way to bed. She pilots a spaceship, walks a tightrope, and climbs a mountain, all while her Mom waits with her covers turned down and bed ready. With stalling techniques as creative as this, it's a wonder she ever makes it to bed! Author Sarah Maizes and illustrative veteran, Michael Paraskevas, once again create a funny, fresh book that will be a must for every parent who wants to foster creativity while fulfilling the every day necessities.
