The American Revolution: A Visual History DK

The American Revolution will transport you back in time and onto the frontlines. This complete overview of the war brings all the action to life, from the Boston Massacre and the Boston Tea Party to the Declaration of Independence and the Treaty of Paris.

Beginning with the first stirrings of colonial resistance, *The American Revolution* presents illustrated accounts of every major military action and comprehensive timelines for every stage of the war. Revealing first-person accounts by soldiers and civilians and profiles of the war's main protagonists, from George Washington to Benedict Arnold. Gallery spreads feature collections of weapons and uniforms, and feature sections detail the politics of the war, such as the treatment of prisoners and the revolution's implications for women, Native Americans, and African Americans.

Two hundred and forty years after the signing of the Declaration of Independence, *The American Revolution* demonstrates that the story of how America overthrew the British is as meaningful today as it was when the ink was still wet on the parchment.

Created in association with the Smithsonian Institution.

From reader reviews:

Graciela Tubbs:

What do you in relation to book? It is not important with you? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is make you feel bored faster. And you have time? What did you do? Everybody has many questions above. They must answer that question because just their can do that. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this specific The American Revolution: A Visual History to read.

Nancy Rush:

Information is provisions for people to get better life, information presently can get by anyone with everywhere. The information can be a understanding or any news even restricted. What people must be consider whenever those information which is inside former life are difficult to be find than now's taking seriously which one is suitable to believe or which one typically the resource are convinced. If you have the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take The American Revolution: A Visual History as the daily resource information.

Steven Anderson:

Many people spending their time period by playing outside together with friends, fun activity together with family or just watching TV the entire day. You can have new activity to spend your whole day by studying a book. Ugh, do you think reading a book can really hard because you have to take the book everywhere? It all right you can have the e-book, getting everywhere you want in your Smart phone. Like The American Revolution: A Visual History which is getting the e-book version. So , why not try out this book? Let's see.

Thomas Carlson:

What is your hobby? Have you heard that question when you got pupils? We believe that that concern was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person just like reading or as reading become their hobby. You must know that reading is very important in addition to book as to be the issue. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You find good news or update in relation to something by book. Amount types of books that can you choose to adopt be your object. One of them is actually The American Revolution: A Visual History.
