## **Vampire for Hire: Books One and Two** J.R. Rain

Books One and Two in Amazon's #1 bestselling "Vampire for Hire" series, including:

### MOON DANCE

Six years ago federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. Now the world at large thinks Samantha has developed a rare skin disease, a disease which forces her to quit her day job and stay out of the light of the sun. Now working the night shift as a private investigator, Samantha is hired by Kingsley Fulcrum to investigate the murder attempt on his life, a horrific scene captured on TV and seen around the country. But as the case unfolds, Samantha discovers Kingsley isn't exactly what he appears to be; after all, there is a reason why he survived five shots to the head.

### VAMPIRE MOON

In Vampire Moon, sequel to Moon Dance, private investigator Samantha Moon finds herself hunting down a powerful crime lord and protecting an innocent woman from her ruthless ex-husband—all while two very different men vie for her heart. And as the stakes grow higher and her cases turn personal, Samantha Moon will do whatever it takes to protect the innocent and bring two cold-blooded killers to justice—her own brand of justice.

**\*\*Acclaim for the Novels of J.R. Rain\*\***

"Gripping, adventurous, and romantic—J.R. Rain's *The Lost Ark* is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!"

—JAMES ROLLINS, international bestselling author of *Altar of Eden* and *The Doomsday Key*

"I enjoyed this immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness—not of spirit, but of body. 'You sicken me and scare the hell out of me,' he tells her. 'And when I touch you it's all I can do to not gag.' She replies, 'Words every wife wants to hear.' I love this! What makes it special are her character and nature."

—PIERS ANTHONY, New York Times bestselling author of *A Spell for Chameleon* and *On A Pale Horse*

"Dark Horse is one of the best books I've read in a long time! A great classic detective story with a modern twist. Unique and interesting characters (I think I'm half in love with Jim Knighthorse now!), a great plot that kept me guessing until the end, and some of the funniest lines I've read anywhere."

—GEMMA HALLIDAY, author of *Deadly Cool* and *Play Dead*

"Impossible to put down. J.R. Rain's *Moon Dance* is a fabulous urban fantasy."

—APRIL VINE, author of *The Midnight Rose* and *Blindfolded by Lust*

"Moon Dance is absolutely brilliant!"

—LISA TENZIN-DOLMA, author of Understanding the Planetary Myths and The Dolphin Experience

"Moon Dance is a must read. If you like Janet Evanovich's Stephanie Plum, bounty hunter, be prepared to love J. R. Rain's Samantha Moon, vampire private investigator."

—EVE PALUDAN, author of Letters from David and The Romance Writer's Pink Pages

"I totally loved The Body Departed. As someone who communicates with those who are either earthbound or have crossed over—your descriptions and interpretations of the dialogue and circumstances could not have been written more accurately. "

—JULIE BELMONT, author of The Path to Personal Success and Freedom and Seizing Your Success

"J.R. Rain is the new modern master of vampires."

—H.T. NIGHT, bestselling author of Vampire Love Story and Winning Sarah's Heart

"Powerful stuff!"

—AIDEN JAMES, bestselling author of Plague of Coins and The Vampires' Last Lover
