Hazardous Materials: Managing the Incident Gregory G. Noll, James Yvorra

Text designed to meet the core competencies for Hazardous Materials Technician and Haz Mat On-Scene Incident Commander as outlined in OSHA 1910-210 and the educational competencies referenced in NFPA 472. Twelve chapters in the text cover preparing for the incident and responding safely according to the Eight Step Process. When all components are purchased (book, student workbook, field operations guide, and instructor guide), one would have a complete learning system. All items must be purchased separately.
