'Kids Book: Flip to the Rescue (Beautifully Illustrated Children's Bedtime Story Book)' is a delightful and truly inspirational story for kids. It is an adorable children's picture book about Flip the baby dolphin embracing the depth and longevity of friendship and learning to fearlessly stand up for what is right; and to speaking out against unfair treatment of the vulnerable.

Flip and her best friend Aqua portray the classic grace, playfulness and social nature of dolphins. Not to mention their artistry and athleticism while swimming and playing in the water. Truly beautiful creations of nature physically as well as personality-wise.

The book is a treat for the entire family with pictures to stimulate the interest of children and adventures and life lessons for everyone.

A great story that can be read to those younger than 5, a read alone or with guidance book for kids age 5-8, or as a read alone tale for kids 9-12 who are looking for a new sort of hero. Who doesn't want to know more about a couple of adorable dolphins?

A wonderful addition to any library, especially those collecting Kids Picture Adventure Books for the Kindle or animal picture books.
