Two Dragons for the Price of one!

Dragon's Honor - It was supposed to be a simple job. Bodyguard duty for a wealthy businessman's daughter. But the Paranormal Protection Agency don't do simple so shadow-dragons Baron and his brother Duke find themselves going undercover as human of all things. Their mission: to protect Miss Croft and dig up some dirt on her father to tie him to the illegal trade in paranormal slaves rife in the city.

Dissent and rumours amongst the staff at the Croft house make them wary, but neither expect redcaps and trolls to attack in the middle of the night, or for the most startling revelation of all: Honor Croft is Baron's mate.

When a crazed warlock steals her away, will Baron be willing to make the ultimate sacrifice to save her?

Dragon's Chase - He's found his mate. But can he convince her that he's her dragon?

Working for the Paranormal Protection Agency has never been boring, but shadow-dragon Duke didn't expect to meet his mate in the line of duty. He certainly didn't expect a warrior every inch his match, or for her to slap him across the ass with her tail and take off across the city.

With Baron on a very personal protection detail, Duke has to fly solo on the pair's investigation into the warlock who nearly killed Baron's mate. Just one problem, his mate is working with the warlock. So, dead or alive, he has to bring her in...

She found the one thing she didn't want. Her mate. Now she needs to get rid of him before he ruins her mission...

Sleeping for centuries has its drawbacks, Chase knew that going in. What she didn't expect was to wake with a Warlock's spelled collar around her neck and to find her charge, the Queen's daughter, in a cage. Vowing to free them both will take skill and strength and she doesn't need the distraction of a hot as hell male dragon trying to make his claim on her. Even though her heart aches to complete their joining, she can't. Not yet.

The mission, or her heart. Can she have both? Or will she need one to complete the other?
