Come Find Me Two Years Ago...

Six words that propel ice-hockey-playing tomboy, Arizona, into an alternate dimension.

She suddenly finds herself living the life of a glamorous cheerleader. She finds herself transported from her happy life with her dad to living with the mother she hates.

Everyone knows her as Arizona Darley, but she isn't. She is Arizona Stevens.

As she struggles to find answers she is certain of two things -- that her mother is somehow responsible, and that she wants to go back home to her real life.

That's until she meets Kellan...
