The Life and Times of Rodrigo Borgia, Pope Alexander VI Arnold Mathew

There have been no shortage of controversial Popes who were accused by Catholics and other Christians of impropriety, but the most controversial of all was the Borgia Pope, Alexander VI. Born Rodrigo Borgia, the future Pope made his way up the ranks of the Catholic Church with an assist from nepotism, breaking his vows of chastity and fathering several illegitimate children along the way. The stories and legends attributed to Rodrigo and his children, particularly Cesare and Lucrezia, have made the Borgias one of the most notorious families in history. 500 years after Rodrigo's death, he and his family have come to be associated more with incest, political intrigue, murder and state-sponsored violence. While 21st century TV series have cast the Borgias as the first organized crime family, the rumors spread by the family's political opponents in the late 15th century have taken hold among a fascinated public. Did Rodrigo really have an incestuous relationship with daughter Lucrezia? Did he really throw lavish orgies? While Rodrigo may not have been as colorful or criminal as the enduring legends, there is no question he was manipulative, ruthless and, ultimately, effective. From an administrative standpoint, Rodrigo was a success as Pope Alexander VI, with a big assist from son Cesare. To the extent that the Borgias are still associated with murder and mayhem, it was the father and son whose actions can be credited with the lion's share of the perception. Not surprisingly, almost everything about Rodrigo's life is still up for debate.

Ruth Goodrich:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Life and Times of Rodrigo Borgia, Pope Alexander VI can make you sense more interested to read.

Jerry Bonner:
