With the joy of leaving Undraland behind, the anticipation of returning back to the Other Side, where Lucy is most familiar, has everyone in high spirits. Soon she realizes that there will be no white picket fence, no home, and no life until the final portal to the Land of Be is destroyed. Pesta uses every tool at her disposal to claw at Lucy, stopping at nothing to take down the one girl who's managed to escape her clutches time and time again.

Lucy Kincaid sheds her pacifist ideals once and for all as she fights for the people she loves, destroying the remnants of hope for a happy future in the process.
