Unholy Blue (Bannerman Boru) Darby Kaye

Strong and Irish.

That's how Shay Doyle likes her whiskey. And her men. As Healer to a clan of immortal Celtic warriors living in modern-day Colorado, she has been gifted with such a man: Bannerman "Bann" Boru, who is warrior, lover, and father. The only problem is keeping the stubborn warrior alive. For Fate seems to have it in for Bann, and his son, Cor, descendants of the kings of Ireland, and recipient of an ancient grudge from the mad god, Cernunnos.

But, with a bit o'luck, Shay, Bann, and the rest of the Doyle clan - along with the aid of a legendary huntsman known as the Black Hand - might just suss out how to kill a shapeshifter that refuses to stay dead, prevent clan warfare, and make a choice that could change their lives.

If they don't lose them first.
