**Wrath of the Pumpkin God (The Paranormal Activities Control Squad Book 7)** Arvin Stevens  
Halloween. October 31st, 1986: A hideous evil is lurking in America's heartland... and the Paranormal Activities Control Squad is powerless to stop it.

It started as a simple mission: investigate a war between a werewolf biker gang and a cult of voodoo zombie drug dealers. Child's play for the rough-and-tumble psychics and hardcases from the PAC Squad.

But when several members of the PAC Squad find themselves captives of a crazed zealot, an ancient and unstoppable monstrosity, a true Halloween terror, is unleashed upon the parched earth... and even telekinesis and high-explosive rounds might not be able to stop it.

This is #7 in the electrifyingly satirical and ludicrous adventures of the PAC Squad. Look for other stories on Amazon.

"The PAC Squad is a hysterical bizarro mutant combination of South Park and the X-Files, with 80s nostalgia as icing on a very weird cake." - Dahlia Morgan, author of The Night Kitten Strikes
